ART: MARBLE PAINTING

The purpose is to teach hand-eye coordination, tracking, color mixing, focusing and creativity.

STORY TIME ACTIVITIES

The purpose is to teach phonological awareness: play with animal sounds, vocabulary and narrative skills.

SCHOOL READINESS: MAGNETIC LETTERS & NUMBERS

The purpose is to teach children about phonemic awareness, letter sound correlation, independence and following directions.

BIRTHDAY BOX: MAKING CELEBRATIONS SPECIAL

The purpose is to provide some alternatives to the traditional birthday celebration that are not only healthier, but also more fun. Better tailored to the individual child and more educational.

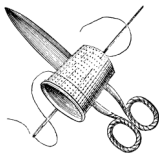

MUSIC & MOVEMENT

The purpose is to teach providers how to use music and movement for various reasons, such as energizing, calming, to create focus or to transition children to new activities.

BUBBLE BOX

The purpose is to teach children and providers the fun and science of bubble making. You will learn how to make your own bubble juice and tri-string bubble wand, for gigantic bubbles. The differences in bubble juice will be taught. The science part of bubbles will focus on water, soap, shape and colors.

SEWING & STRINING

The purpose is to teach hand/eye coordination, grasping, fine motor skills and creativity. For older children this activity can teach sequencing and problem solving.
