YOU WILL RECEIVE A TRAINING CERTIFICATE FOR THE FACE TO FACE TIME TOGETHER

## **ROOM ARRANGEMENTS & LEARNING CENTERS: JESSICA MARKLE**

This training will focus on rearranging the physical space of your program. After your training, your space will be more welcoming to families, while encouraging children to explore and learn.

## **STORY TIME ACTIVITIES: BONNIE KUDLACIK**

The children will become familiar with the story *Brown Bear Brown Bear*. They will have the opportunity to create their own book to take home and read to their parents, along with a painted bear mask. (Other stories available)

## **SCHOOL READINESS: CHILD CARE STAFF**

This training will assist child care programs in the preparation of children for school. Reviewing skills necessary for school (via a skills checklist) as well as providing activity ideas and how they will be incorporated. Demonstrations of specific activities with the children can also be included as part of the training.

## **GET ORGANIZED: KERRY WOLFEIL**

This training will focus on the documents and forms required to maintain compliance with the Office of Children and Family Services regulations. An organized binder/ file box will be given, with all the required and necessary paperwork for best business practice.

## **INDOOR & OUTDOOR PLAY: PENNY DOMBROWSKI**

This training will focus on the importance of indoor and outdoor play: how to schedule for it and the recommended length of time. It will also include a number of fun activities to enrich your program, and transitional ideas.

## **LET'S MOVE: LINDY KELL**

This training will focus on Let's Move! Child Care, a free initiative to jump start healthy eating and keeping kids active. From school days to weekends at home, this training will help to meet all six goals of Let's Move! So that the provider can register and get the certification of completion. Materials to create an "Activity Cube" and a "Let's Get Moving" challenge will be given.
