

PARENT CONNECTION

FAMILY OF WOODSTOCK'S Children's Health Home Program

DO YOU NEED HELP MANAGING YOUR OR YOUR CHILD'S HEALTH OR MENTAL HEALTH CARE NEEDS?

DO YOU HAVE MEDICAID HEALTH INSURANCE?

ARE YOU OR YOUR CHILD UNDER 21 YEARS OF AGE?

CHILDREN'S HEALTH HOME OF UPSTATE NEW YORK • (CHHUNY) Is an independent entity created by 20 of upstate New York's leading child and family agencies to establish a Children's Health Home. Through a Care Manager, Children's Health Home provides:

- Comprehensive Care Management
- Care Coordination and Health Promotion
- Comprehensive Transitional Care
- Individual and Family Support
- Referral to Community and Social Support Services

We may be able to help!

We support services that you may already be receiving and will help connect to new ones if needed.

SPRING VOLUME 2018 ISSUE 2

Chromatography Butterflies

Materials

Non-Permanent Markers
White Coffee Filters
Pencil
Cup of Water
Black Pipe Cleaners

Directions

1. Choose one marker to experiment with first.
2. Take one coffee filter. Put it on a newspaper or some kind of material to protect your table. Draw a thick circle around the center of the coffee filter where the ridged part meets the flat center. Use a pencil to write the color of the marker being used right in the center.
3. Fold the coffee filter in half and then in half again, resulting in a cone shape.
4. Get a short glass of water. Pull apart the cone shaped coffee filter so it balances right on the glass with the tip of the cone just touching the water. (Be sure NOT to let the marker circle go in the water.)
5. Let it sit and watch what happens as the water begins to flow up the paper.
6. Repeat with different colored markers.

7. After the water has reached the outer edge of the coffee filter, place it on a newspaper to dry.
8. Make a butterfly by scrunching up the middle of the coffee filter and wrapping a pipe cleaner around it!
