The Aspire Registry is a free online professional portfolio that allows you to keep a record of your education, employment and professional developmental (trainings) in one place! Aspire verifies the trainings put in by each individual, and makes them available to the provider for review as well as licensors and registrars (when given access). This can make renewals and mid-points much easier and faster for everyone!

This training will start by reviewing the OCFS training requirements including each topic area, hours, and approved training resources. The bulk of the training will be a step by step walk-through on how to sign up and use aspire to document all your training. Additionally, the ability to set up accounts will be provided the day of, so please bring your laptops if you would like help in getting set up.
