

Board Application

Thank you for your interest in Family of Woodstock's Board of Directors. Our Board members guide the agency's overall direction while also acting as ambassadors, informing the public about our programs and their impact in the community. Our Board use their knowledge and experience to help improve the quality of services we provide and to make us aware of community needs which we are not addressing. As a Board member, it is expected that you will attend Board meetings regularly, which are generally held every other month. In addition, Board members are required to serve on at least one subcommittee, some of which meet monthly.

If interested, please complete the form below and submit it to:
